This diagram illustrates the exploded view of a mechanical assembly, likely a pump or motor component. The parts are numbered 1 through 17. The main assembly consists of a large gear (1) mounted on a shaft (2). A smaller gear (3) is shown meshing with the large gear. A bracket (4) is attached to the shaft. A cover (5) is shown with a bolt (6) and a nut (7). A spring (8) is shown attached to a rod (9). A pin (10) is shown attached to a bracket (11). A bolt (12) is shown attached to a bracket (13). A bracket (14) is shown. A bolt (15) is shown. A nut (16) is shown. A bolt (17) is shown.
